Registration and MS Teams link via email: energyresearch@utb.cz

EASE located in Brussels, Belgium, is the leading member-supported association representing organisations active across the entire energy storage value chain. EASE supports the deployment of energy storage to support the cost-effective transition to a resilient, climate-neutral, and secure energy system.

In case you would like to receive information about EASE membership or receive EASE newsletter, events invitation and press release, please indicate it in the email registration.

This project was supported by the Czech Ministry of Education, Youth and Sports INTER-EXCELLENCE programme under the grant agreement No. LTT20005.
