Submission deadline:

4.03.2024

**ENERGY
STORAGE**
Global Conference
BRUSSELS, 15 - 17 October 2024

Call for Speakers

Scope

The Energy Storage Global Conference 2024 (ESGC), organised by the European Association for Storage of Energy (EASE), will be held in Brussels on 15-17 October 2024, and will gather representatives from around the world to discuss **energy storage policies, markets and technologies**.

Topics

Here some of the topics we are interested in:

Policy

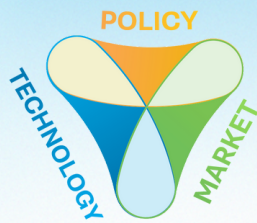

- 1) Electricity Market Design
- 2) Grids and flexibility assessment
- 3) Support schemes and public financing

Market

- 1) Project financing
- 2) Business models (e.g. stand-alone/co-located; customer energy management; Storage as transmission asset)
- 3) Optimising Storage Assets
- 4) LDES

Technology

- 1) European manufacturing competitiveness
- 2) Fire and safety standards
- 3) Supply chain and raw materials
- 4) Energy storage hybridisation

Global Conference
BRUSSELS, 15 - 17 October 2024

Call for Speakers

Submission deadline:

Monday, 4 March 2024

Submission guidelines:

All papers must be submitted electronically, in PDF format through [this google form](#).

Please submit your paper's abstract/summary - between 1 and 6 pages in length.

This call for papers will provide authors with the opportunity to gain a speaking slot at the Energy Storage Global Conference 2024.

Highlight your research or work and boost its visibility within the energy storage community!

Please consider that, in case you will be selected as ESGC 2024 speaker, you will have to purchase a speaker ticket that will give you access to the three days conference.

If you have further questions, contact the organisers:

Mrs. Rosario Marquez: r.marquez@ease-storage.eu for logistics issues;
and Mr. Jacopo Tosoni: j.tosoni@ease-storage.eu for content related questions.
